SUMMARY

Full stack developer seeking a technical position to grow and further develop hardware and software programming skills. Committed to contributing to an organization's success. Earned a certificate in Full Stack Web Development from the University of Texas at Austin Coding Boot Camp, and a Bachelor's of Science in Computer Science from Texas State University. Will learn fast and apply knowledge as needed for what is demanded. Strengths in teamwork, organization, and creating projects from ideas into executable projects.

SKILLS

Languages: JavaScript, HTML/CSS, C++, Java, Python, MIPS Assembly, C#, SQL, Node.js, Express.js

Operating Systems: Windows, Linux

Database Systems: MySQL, MongoDB, Amazon Web Service (AWS) DynamoDB

- Most recent experience from **UT Austin** in JavaScript, jQuery, Bootstrap, Node.js, Express.js, MongoDB, React, SQL, CSS, and HTML.
- Most experience from **Texas State University** in C++, Java, and MIPS Assembly Language.
- Semi-experience from **self-taught** in Amazon Web Service (AWS), C#, and Python.

EXPERIENCE

AI TRAINING ANALYST

January 2024 -

DataAnnotation

Plano, TX

Training multiple AIs to improve their functionality and correctness with code responses, in various programming languages (C++, Python, Java, JavaScript, SQL).

Key Accomplishments:

- Heavy documentation when comparing AI responses on a given programming topic/code piece/debugging.
- Steering the AI to have more intelligent and implicit understanding of given questions.
- Team cooperation to finish AI tests more quickly in order to transition them to the product phase.

INBOUND

August 2019-July 2023

Amazon

San Marcos, TX

Led multi functional team that worked to optimize inbound/outbound package logistics and volume.

Key Accomplishments:

- Close coordination and supervision of sixty team members.
- Supported an internal optimization team consisting of corporate supply chain expertise and IT.
- Communicated liaison between optimization team and fulfillment staff.

CUSTOMER SERVICE

February 2016-August 2019

Chartwell's

San Marcos, TX

Campus dining customer service, providing support in university dining facilities.

Key Accomplishments:

- Learned every position needed in order to service customers if employees could not make it into work.
- Coordinated with chefs and managers to replenish food and drinks as needed.
- Served over one thousand students per day.

CUSTOMER SERVICE

July 2012-March 2013, June 2016-August 2019

Brookshire Brothers Inc.

Wimberley, TX

Seasonal customer and part time customer service providing support as cashier, sacker, and deli representative.

Key Accomplishments:

- Provided training to new employees in the deli, to ensure quality and productivity.
- Maintained a clean area while cooking all food to the proper standards and in a timely manner.
- Served over one-hundred and twenty guests per day, and more through sales of prepared selections.

EDUCATION

University of Texas at Austin – Full Stack Web Development Coding Certificate, Plano, TX

2023

Texas State University – Bachelor of Science in Computer Science, San Marcos, TX

2018
